 the fun in
 study hall.

We are hopeful that the following pages in this 1951-1952 Columbian will bring back pleasant thoughts of good times had in the past, school friends and reminiscence of school life for everyone.

We know you will always remember that favorite dance and the wonderful time you had in participating in that one-act play or that assembly. Then, too, you will never forget that big game when you were so thrilled over the team's spectacular performance!

In presenting this Columbian to you, the students and faculty, we have truly tried to record the panorama of this memorable school year.

The background of the cover is a monochromatic blue-toned illustration. At the top, two hands are shown in a gesture of offering or holding, with fingers slightly curled. Below them, an open book is depicted, its pages fanned out in a way that suggests movement or the flow of information. At the bottom, another pair of hands is shown, with fingers extended as if presenting or supporting the book above. The overall composition is symmetrical and evokes a sense of academic tradition and the passing of knowledge.

Our Superintendent Says

Greetings to the Columbian:

I am glad to extend greetings to the Columbian and to the student body represented by this publication.

It is interesting to watch a school grow and develop. Our school is new and has had restless years; however, each year gives added stability and each year there is greater allegiance to the school from the student body. This allegiance can be observed in many ways. For example, we have more people who are doing honor work in college; we have more people who look after the little things in Columbia High School.

These improvements may not be easy for you to observe, but for one who is able to come occasionally, as it is my good fortune to do, I can see continual gains which promise better days ahead.

May I congratulate you upon the gains you are making and urge you to have faith in yourselves which will give us even greater power.

Richland School Board

Our new school board: (left to right) Foy A. Leach, Thor Hauff, Jack Wilson, Grover Dawson, Edna Chapman.

The school board is, in effect, the director of the school district. The board develops: (1) Policies. (2) Approval of the school budget. (3) Approval of the election of teachers and other personnel. (4) Approval or disapproval of school expenditures. These are the major duties of the school board. The members are

elected by the people for a period of 3 years. The board meets twice a month, and at whatever other special meeting times that may be necessary.

There isn't any salary for the duties of the school board member.

From Our Principal

Congratulations to the annual staff and their adviser, Mr. Shaw, for the fine job they have done in developing a book of this type. I believe I am correct in saying that none of the staff had previous experience in this work.

This year's book is an experiment with a new process of printing and I hope it will meet the critical approval of the students. It is possible to make a more attractive book with unusual effect for the same cost.

I hope this year's school life has been interesting enough to each of you so that you will enjoy and cherish its memories. This book will be a help in future years to recall these memories.

School is now about to close for the year; to the seniors, congratulations and the best of everything. To all other students, a very enjoyable and profitable summer and a hope that you will all be back at Columbia High next September.

From Our Vice Principal

I think it fortunate and valuable to have spent five years in the classrooms of Columbia High before assuming an "office" position, for now I know many of you as students instead of just "absentees" and "tardies." My work, therefore, has been easier and more pleasant. Particularly, it has enabled me to see better

the worth of the labors of the annual staff and to rely on them more as a responsible, valuable group. Personally, I feel it has been a good year and that our school has made encouraging strides toward normal high school achievements. I offer special congratulations to the annual staff.

Teachers of the Year

Miss Nadine Brown

"Quite a surprise!" exclaimed Miss Nadine Brown when she was informed of being picked as one of the teachers of the year by the seniors.

Miss Brown came to us eight years ago from Dixie, Washington. A native of Washington, she was born and raised in Prosser.

Miss Brown has attended Whitman College in Walla Walla and the University of Washington. She thinks Columbia High is one of the best, if not the best, school in which she has taught.

"I believe that if a teacher shows she is sincerely interested in each of her students, is willing to help him, treats him fairly and creates a happy atmosphere in the classroom, she will have splendid results both in cooperation and work accomplished," she said, summing up her practical teaching philosophy.

Miss Brown teaches Junior and Senior English and is advisor to the Sophomore class. In the past she has advised the Junior class for one year and the Senior classes for four years.

"Go West, Young Man, Go West!"

"Does It Not?"

Mr. Richard Kelly

Mr. Kelly was voted, for 1952, the most popular male teacher in Columbia High School. His own opinion about winning: "I never thought I would win a popularity contest. It was a complete surprise to me."

When he was just a sophomore in high school, he decided to be a teacher. His decision was influenced by the fact that he liked two of his teachers. After graduation from high school he attended the University of Idaho and did post-graduate work at both Washington State and the University of Arizona. His first teaching job was in a small town in Idaho where he was the principal of the local high school. Mr. Kelly has taught school for sixteen years, eight of which were spent in Richland. He says he likes teaching better every year, and has taught every subject except commercial, music, and (Ho-Ho!) home economics.

We are delighted by the Seniors' choice of the most popular male teacher of the year. Congratulations to you, Mr. Kelly!

Row I, Left-Right: Dot Andre, Ruby Peters, Mary Daws; Head Custodian, Ora Moore.

Row II: Chester Perryman, Ruth Pahl, Davell Burkett.

Custodians

Under the supervision of Mr. Moore, the familiar faces above have quietly and efficiently cleaned our halls and classrooms as we so carelessly continued to dirty them.

We congratulate these silent workers of our school. Their job is a constant one that is generally overlooked, but so vitally necessary.

Day in and day out, during the past three years, we have all seen the familiar face of Mrs. Andre. She is as much a part of our everyday life at Columbia High as the studies we do. She is always ready and willing to co-operate in all or any activities, such as helping the Girls League with concessions, or lending a hand to Mr. Tollison for the Debate. We appreciate her endless effort to make our days at Col. High the most enjoyable and memorable.

Office Staff

"Take this letter, please," or "Type this up, please," are some of the requests that the office staff hears every day. They are, as we all well know, three of the most important workers in our high school. Without the assistance of this efficient staff it would be impossible to keep our student records intact, to manage finances, or to cope with so many of the emergencies that arise.

Left-Right: Marian Juricich, Elsie Knostman, Sara Long.

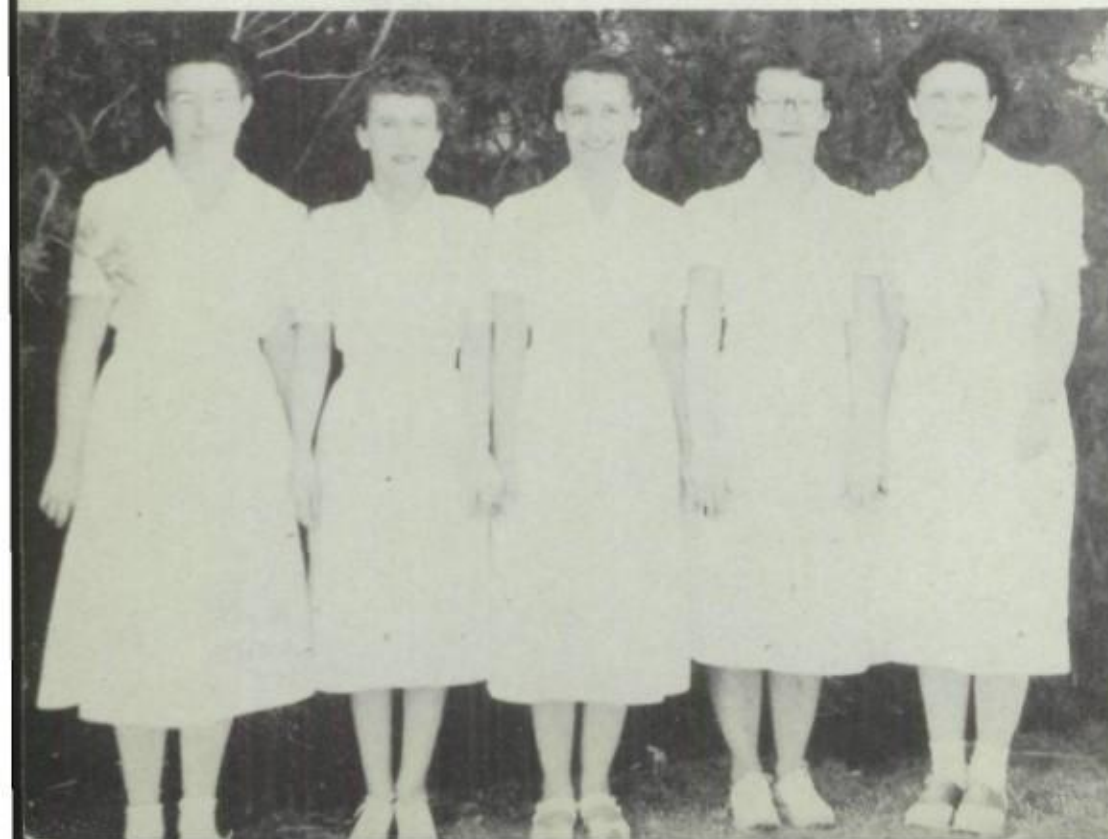

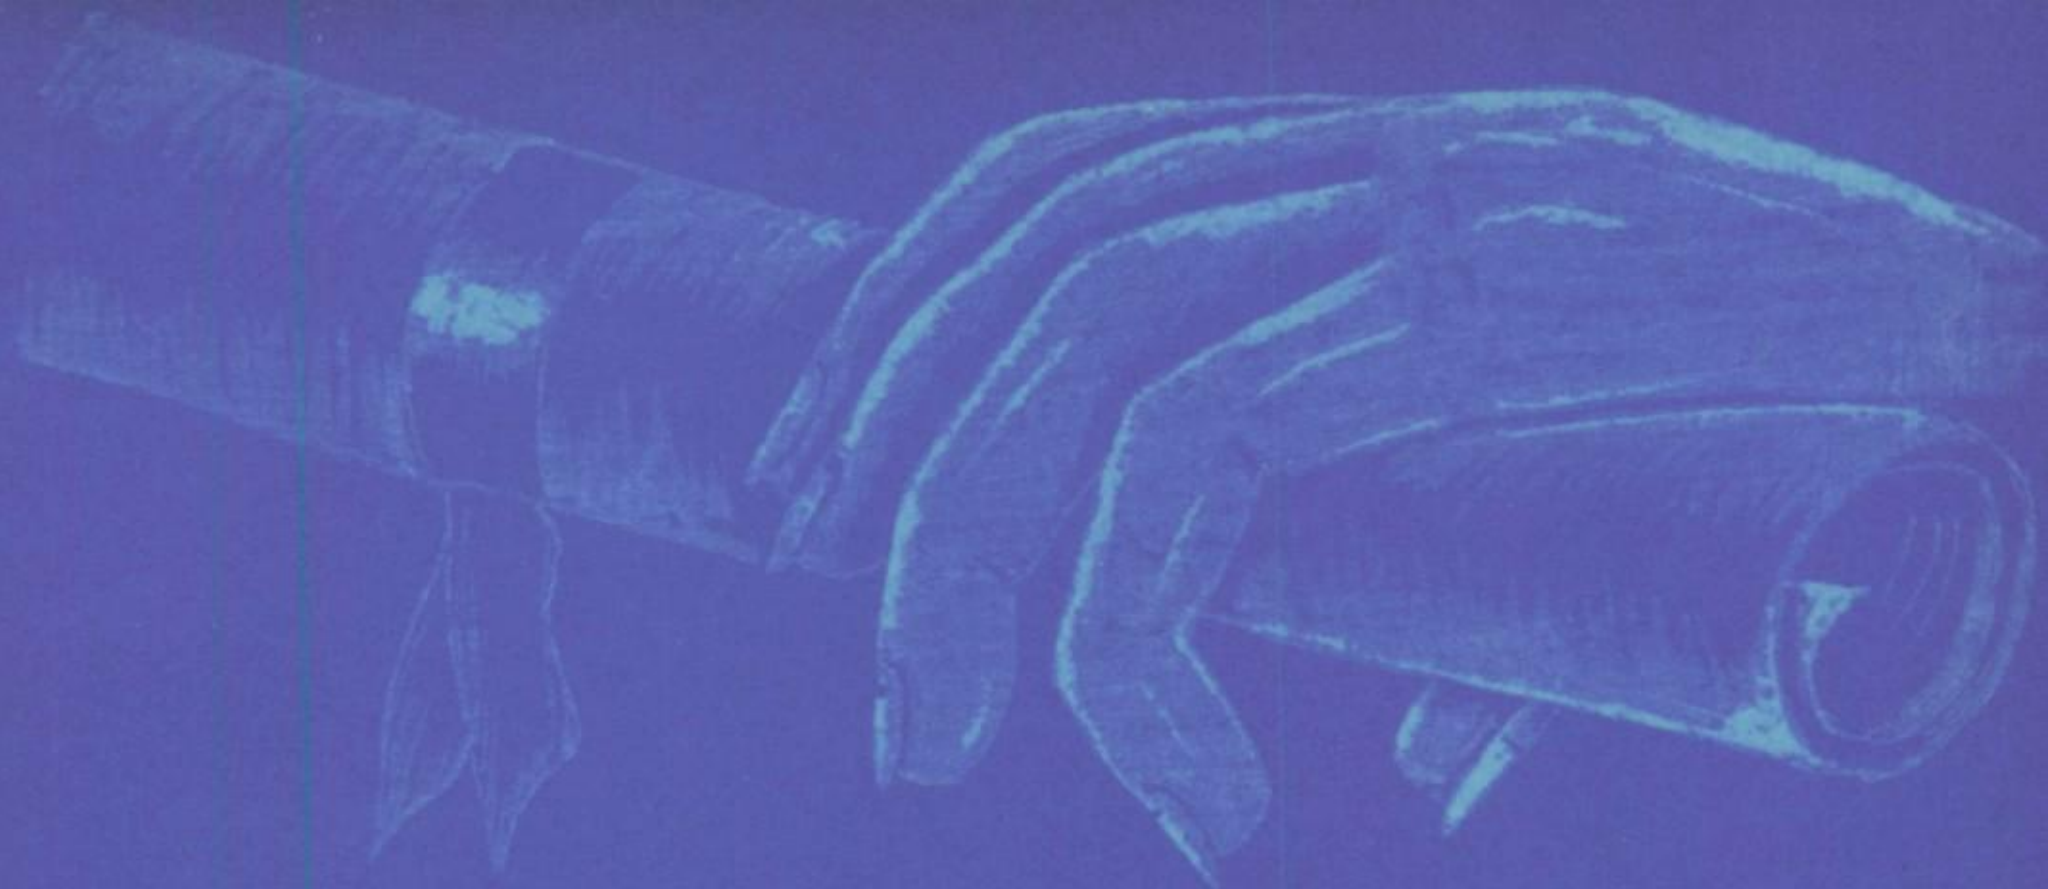

Kitchen Help

11:45, and once again the mad 50 yard dash for the lunchroom. Then, as the line assembles, and the students receive the lunches, it quiets back to normal.

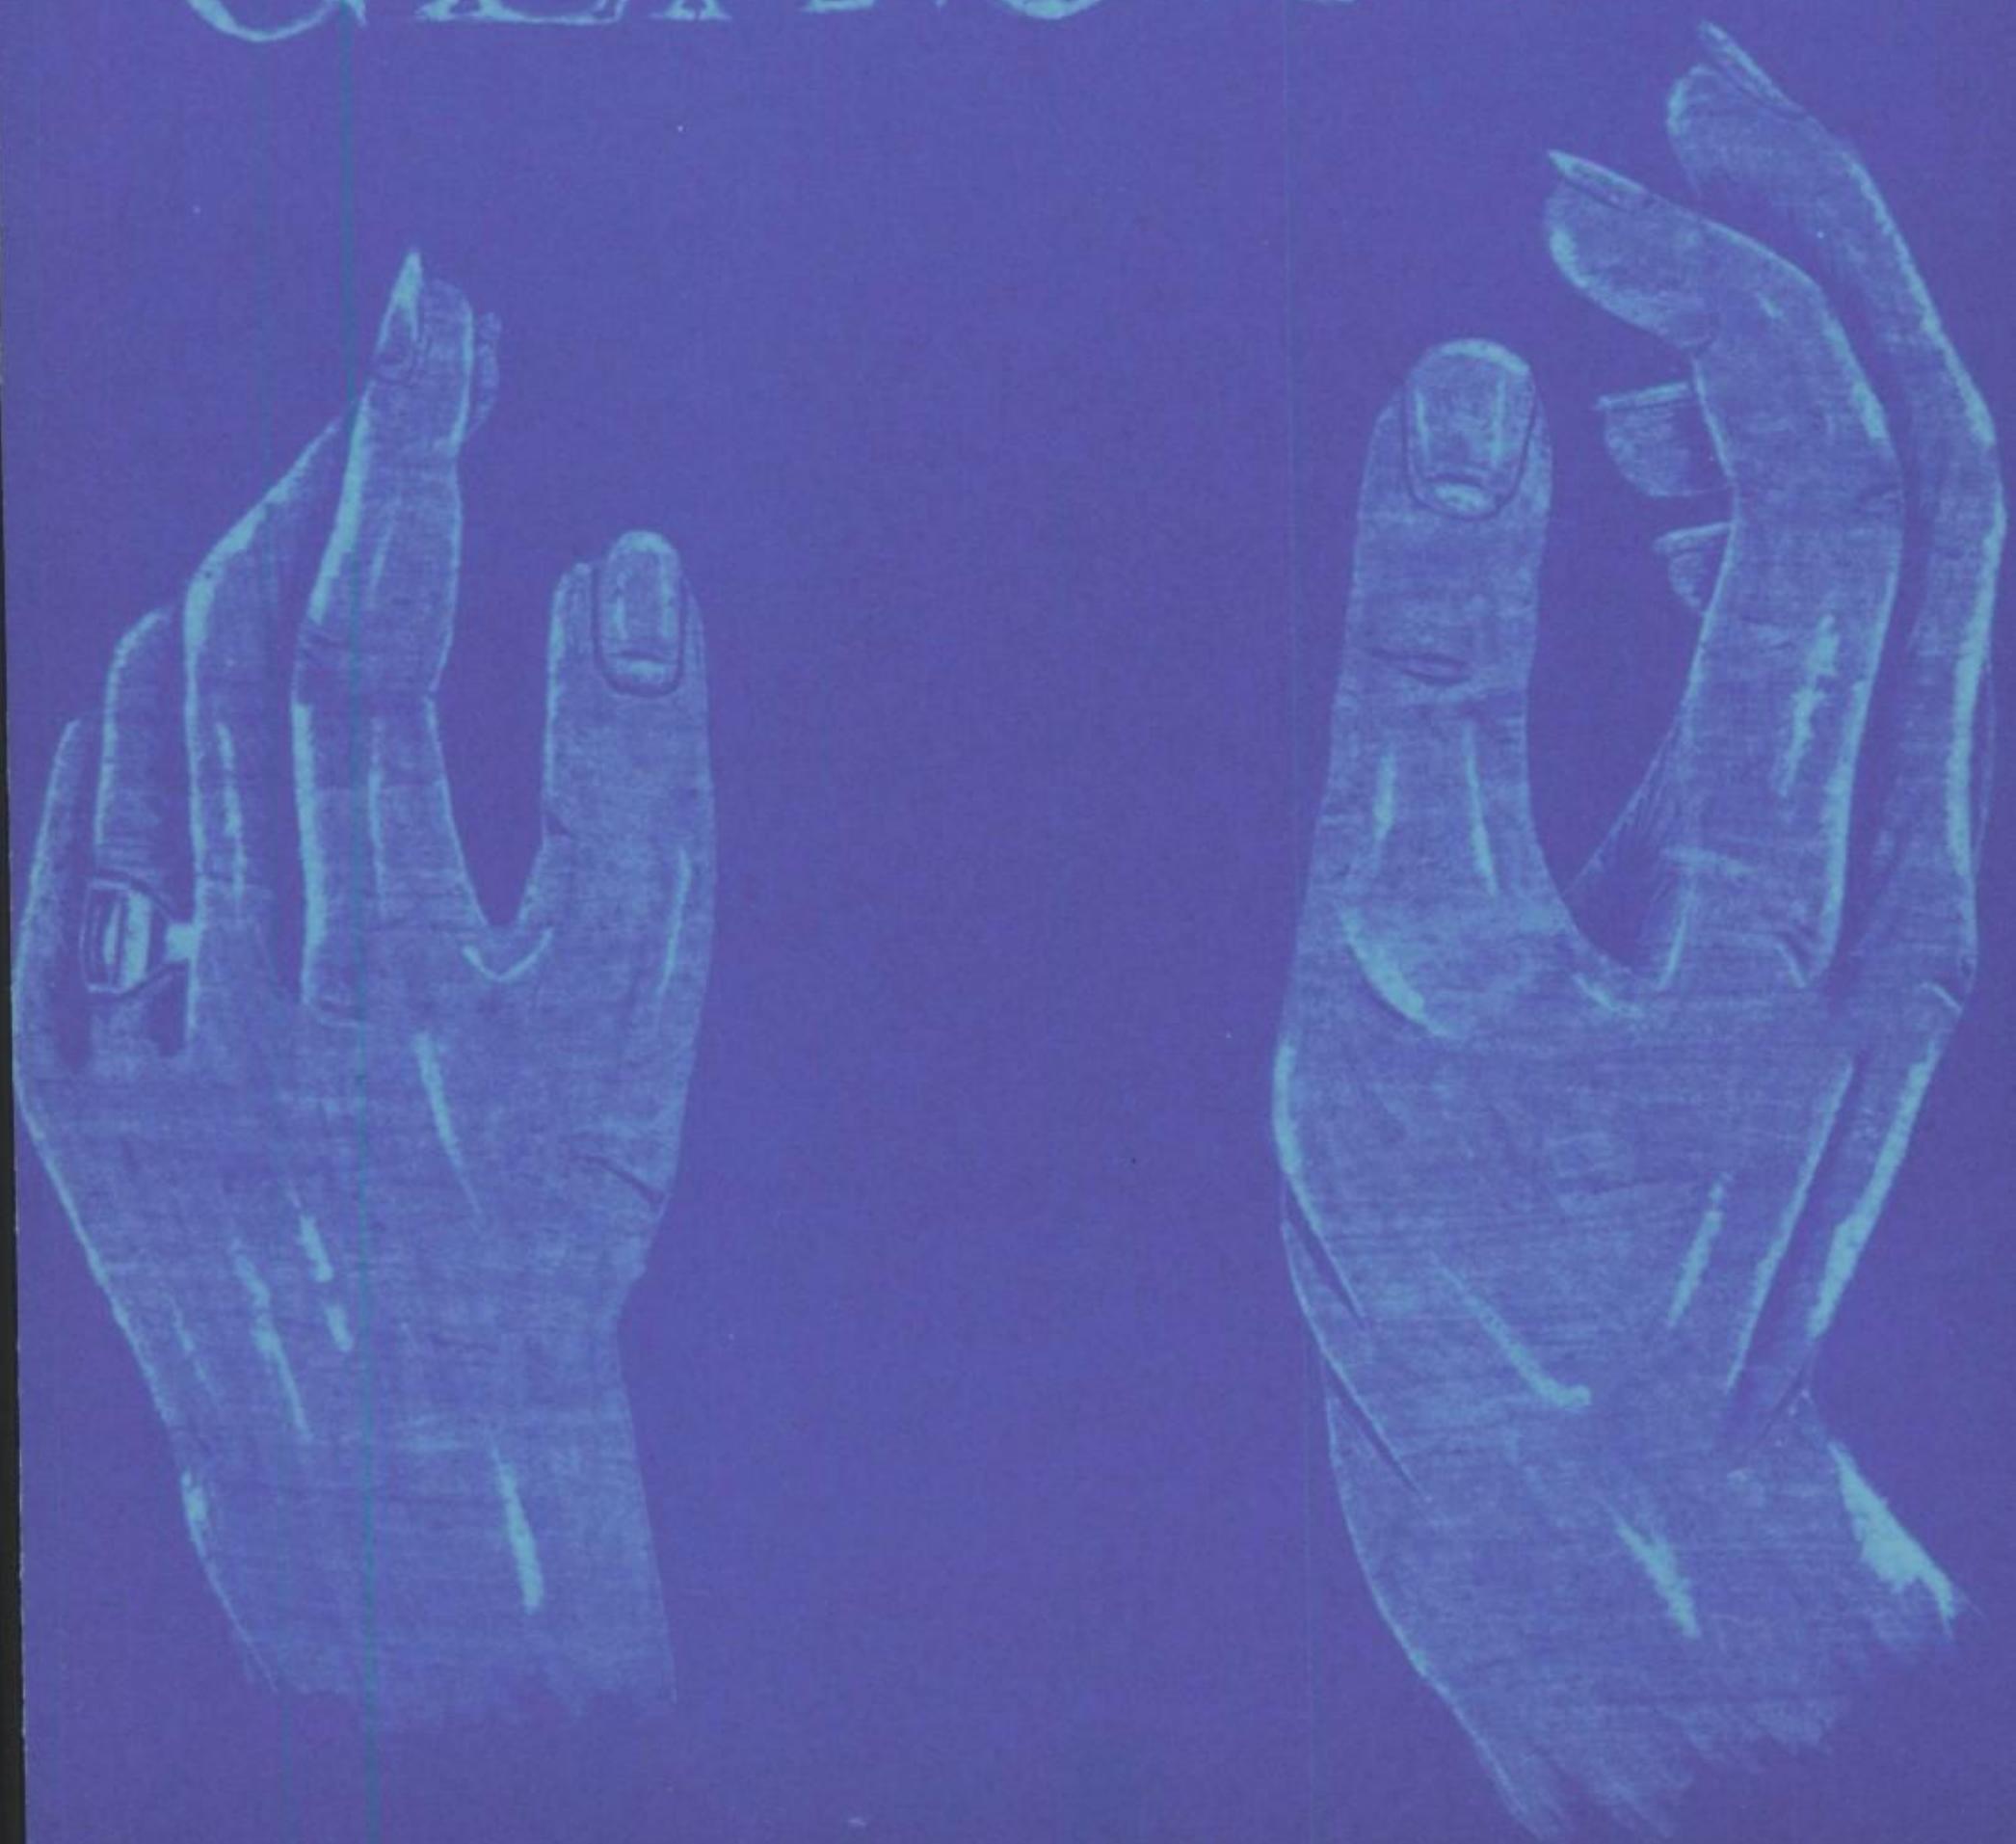

Under our head cook, Mrs. Jackson, and her assistant cook, Mary Hannigan, our meals are cooked and served in a rapid, efficient manner.

Left-Right: Irene Ivers, Mary Hannigan, Edna Jackson, Eunice Ridly, Ruby Nelson.

Class of '52

The Top Six

Top row: Tom Davis, Nancy Mooers, Joy Mason.

Bottom row: Margie Casebier, Elsa Lou Mack, Mary Morgan.

Left to right: Dick Epler, president; Margaret Pendergast, vice president; Warren Stratton, treasurer; Helen Bartlett, secretary.

In ecstasy two hundred and sixty cast aside pencils and books to don caps and gowns and receive their respective diplomas.

The goal of four years effort has been attained by the happy balance of work and play. There are memories which will long linger in our hearts and minds; the class parties, vaudeville and Junior Proms. Also the faculty and smiling classmates.

We liked being seniors; we liked the carefree "Senior" attitude we had always admired and suddenly found we possessed. Then came the exciting moment of graduation, the time when we became independent and looked forward to a successful future.

Class officers Dick Epler, Margaret Pendergast, Helen Bartlett, and Warren Stratton all contributed to make this year a truly memorable one for the seniors.

We're through with high school now, but the fun we've had, the things we've learned, and the friends we've made make this an unforgettable year. We'll always be proud to say that we are the class of "52."

Class

of

'53

Bill Witherup, Treasurer; Cecil Bell, President; LaRae McCullough, Vice President; Janet Murphy, Secretary.

The class of '53 enjoyed a successful year under the leadership of the planning council and their able advisors, Miss Nordin, Mrs. Buescher and Mrs. Kleinsorge.

One of the most significant events of the year was the ordering of class rings; the majority of juniors purchased these rings, which were 10 carat gold.

As usual, the highlight of the year was the Junior-Senior Prom. Plans for the big dance were launched weeks ahead of time and every junior was given the opportunity to take part in its success. Questionnaires were sent around to each home room and juniors submitted their own ideas for the dance.

Bottom: Willene Houghton, Secretary.

Above, left to right: Larry Blackburn, President; Velma McCord, Treasurer; Diane Dudley, Vice President.

The sophomores got well organized early this year and off to a flying start on their Col Hi careers.

In school activities the class was well represented. They had five football lettermen and were active in all other sports. Before basketball season, three cheerleaders from the class were elected to lead yells during the junior varsity games. During Home-

coming, Lorraine Murphy was elected princess and their float, emphasizing "King Football," won second prize in the parade.

The class of "54" wishes to express its sincere thanks to its able advisors, Miss Brown and Mr. Wheeler, under whose leadership they were able to have such a successful year.

Associated Student Body

The thirty-eight members of the Student Council meet with the A. S. B. officers and advisors every two weeks to discuss school problems and activities. The student government followed the constitution adopted last year in setting up a practical system of legislation. Every student in the school is directly represented in the Council for it is composed of one representative elected in early fall from each home room. Suggestions and problems from the homerooms are submitted to the Student Council by the representatives. Through discussion in the homerooms these Council members determine the opinion of the majority and vote accordingly.

More A. S. B. cards were sold than in previous years. Students generously contributed to collections for War Orphans and CARE packages. The Homecoming was staged with enthusiasm and was carried out more efficiently than in the past. Rules for Mixers were established. Through this democratic process our entire school life is changing according to the will of the majority.

Girls League

Girls League was formed to develop school spirit in each girl in Columbia High School. It helps provide activities which will give her an opportunity to develop a sense of responsibility and self-confidence. It gives each girl a chance to serve the school in all ways possible. Under the advice of Miss Mary Hill, all programs are organized on a committee plan. Some of the service functions held by the club are the March of Dimes Drive and the Christmas Seal Drive. Some of the social functions are the Thanksgiving Formal, Tolo Week, Senior Tea, and the Faculty Tea.

A group of Senior girls are selected by the Girls League to advise the incoming Sophomores. These Seniors are responsible for contacting each Sophomore girl during the summer, by postcard, or phone. They arrange a general assembly where they introduce the Principal, Vice-Principal, and other notables. Also at this meeting individual group discussions are held. The girls are advised on the facts of high school life and a tour of the school is conducted.

Boy's Federation

The Boys Federation, under the leadership of Mr. Landers, is teaching the boys more opportunities of leadership training. It offers boys a chance to participate in the activities of the school. It co-sponsors, with the Girls League, the Thanksgiving Formal, Stag Night, the Tennis Tournament, the School Leadership Project and various service activities. The club was organized in 1945. It meets once a month and representatives from various home rooms attend the meeting. When the club was first organized, all the club members met in a group to discuss the business of the club. As the club grew they had to change it to a central type of government where representatives were elected from the home rooms. The club has grown from about 20 members to about 450 members. The Boys Federation has done much to promote more school activities.

Pep Club

The Pep Club of Columbia High was founded approximately seven years ago for the purpose of promoting school spirit at athletic events. The Club has increased in size since it was founded from forty to ninety-six members as the school grew.

Miss Venetta Johnson, the advisor, gives valuable assistance to this spirited, organized group of girls. One of the many club activities is the decoration of the field and gym as the girls endeavor to cheer the boys on to victory with the uplift of bright colors surrounding them. They sell programs and pom poms to spark the fire of enthusiasm in the spectators. The Bomberettes have organized a drill team which enthusiastically marches at the games for the enjoyment of the crowd. The Pep Club and the Lettermen join forces and celebrate at a party which is held in late winter.

National Honor Society

The National Honor Society consists of a group of students who have been chosen by the faculty on the basis of their scholastic rating which must be a 3.0 or over. They are also rated for their scholarship, service, character and leadership.

Fifteen per cent of the whole Senior Class and five per cent of the Junior Class are taken into the N. H. S.

The object of the National Honor Society

is to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in pupils of Columbia High School.

The annual breakfast was held on February 21, in the cafeteria of the High School. The members chatted with the faculty and guests over tempting ham and eggs with biscuits and honey.

Commercial Club

The Commercial Club is one of Col-Hi's newest clubs. It is composed of Commercial students only. Meetings are held every two weeks with one a business meeting and the other a social get-together. The meetings are composed of a guest speaker, entertainment, and refreshments. The aim of the Commercial Club is to give awards to those students who are outstanding in Commercial subjects and to promote interest in the business field.

As the club was just organized last year, their biggest problem was that of obtaining money. To do this, the club held a bake sale at one of the local stores, and had various other ways of getting money. Everyone cooperated well, and the club emerged a bit from their blank treasurer's book.

Columbian

Now you have the annual that you have been waiting for a whole year! Do you realize the amount of work that goes into the production of the book that you write all over?

The editor and staff are chosen by the faculty members, according to their scholastic rating and their ability to accept responsibilities on their own. The editor and the staff then choose a theme that will be expressed throughout the book. A dummy is then drawn to give a complete picture of how the

book will actually appear when it is done. The sizes of pictures, write-ups and captions are estimated.

We have tried to compose this book so that you will have an accurate, complete, memorable record of the year 1952 in your life.

We, the editor and staff, thank our advisor, Mr. Marvin Shaw, for his wonderful patience and help, without which we could have done absolutely nothing.

Cordially yours, The Editor and Staff

SANDSTORM

Newspaper Revised, Expanded, Modernized

New paper! New advisor! New staff! The 1951-52 "Sandstorm" was completely revised. The first issue came out on September 21, 1951 with new slick-type paper and a new modernistic "Sandstorm."

The new staff included co-editors in chief, Ellen Harrison and Carol Latta, associate editors: feature, Suzanne Hall, assistant, Monty Hormel; sports, Dick Pierard, assistant, Jim McKeown and Don Halstead; society, Leah Oates; business manager, Barbara Williams; staff photographer, Jim Gladfelder; housing manager, John Trimble; and reporters: Rusty Prudich, Barbara Brown, Janice Kerstetter, Darlene Baalman, Dick Cole, Libbie Harkins, Coralee Williams, Judy Meyer, and June Wagner. Miss Nadine Munns, who is new to Col-Hi, is the "Sandstorm" advisor.

Fifteen issues were edited this year. The paper was permanently changed from a four-page paper, the Christmas and the Senior issues. Other new features of the paper were that we adopted a more standard newspaper with news pages, society page, sports page and feature and editorial pages, and that the ads changed each issue with new copy and mats adding variety.

On December 11, the staff with honored guests, Mr. and Mrs. P. A. Wright and Mr. and Mrs. Leslie McIntosh, celebrated Christmas at a banquet held at the Desert Inn. It was the first social gathering the staff held.

Those who qualified were initiated into Quill and Scroll, national honorary journalistic society.

The staff made a trip to Walla Walla to visit the newspaper plant there and also had a picnic in the spring.

And so we put the "Sandstorm" to bed until next fall!

Future Farmers of America

The Future Farmers of America is one of the most active organizations in Col-Hi. The members are boys who are enrolled in the vocational agriculture class. The Richland chapter has been active for three years. Its purpose is to develop farm leaders and better farmers.

Under the direction of Mr. William Evans, the FFA has taken part in many activities. Last fall they gave a party for the FHA. Their basketball team played FFA teams from other towns. A father and son banquet was held in March. A judging team was sponsored which went to fairs and stock shows to compete with other FFA teams in stock judging, placing 15th out of 75 teams at the Pacific International Livestock Show in Portland. A delegate is sent every year to the state FFA convention.

Future Homemakers of America

The F. H. A. Club started the year with many gala activities. They assisted at several banquets and also the Faculty Tea, which proved to be a great success.

The annual events of the year consists of the county fair contest, conferences, and the raffling of a doll and her wardrobe, which netted them money enough for the expenses for the rest of the year.

The F. F. A. staged a hayride and dance for the girls last fall. During F. H. A. Week there was a birthday party for the chapter and a formal and informal initiation of new members.

Hi-Y represents a movement of high school youth associated with Y. M. C. A. and committed to a program of service to the school and community. Rho-Phi Hi-Y Club at Columbia High School was first organized in 1947. It adheres to the expressed purposes of national Hi-Y: to create, maintain, and extend throughout the school and community, high standards of Christian character through a program of clean living, clean speech, clean athletics, and clean scholarship.

For the past two years Rho-Phi Hi-Y has had as a special project the building of a film on Col-Hi school life. The single activity of greatest interest, however, to the members is the state Youth Legislature Program. Bills for the Youth Legislature are drawn up, representatives chosen, rules of order and procedure studied. Chosen this year to represent Rho-Phi Hi-Y were Dick Pierard and John Severn.

Andy: What future is there in collecting keys?

Amos: Stupid! the Key Club is a service organization sponsored by Kiwanis.

Andy: What benefit is the Key Club to the school?

Amos: The Key Club develops initiative and leadership, provides experience in living and working together, prepares for useful citizenship and a number of other things.

Andy: Does the Key Club attend regional meetings or banquets?

Amos: Key Club Day is held annually at Kiwanis in the dining room at the Desert Inn. Key Clubbers also attend regional and state meetings.

Andy: Has the Key Club done anything for the school?

Amos: Key Clubbers sold concessions at the tournaments last year and acquired a goodly sum of money to help pay for the football scoreboard. The project for this year is to obtain an insect control unit for the school cafeteria.

Debate Club

Standing: R. Prudish, F. Montgomery, V. McVicker, J. Godwin.
Sitting: C. Shank, J. Ahrens, R. Linkous, B. Burkett, D. Pierard.

The Debate Club was reactivated under the direction of Mr. Floyd Tolleson. First members were from the debate class but soon other students were added.

The forensic feuders met teams from several other schools. The club entered several teams in the Yakima Valley Tournament and sent twelve students to a state-wide tournament held at the College of Puget Sound in Tacoma.

The National Question this year was "Resolved: That All American Citizens Should Be Subject to Conscription for Essential Service in Time of War," so Col-Hi's intelligent debaters were often seen with their noses buried in magazines, books on conscription, labor statistics, committee reports, etc. to find material for their speeches.

Our debaters learned much from their hours of work. They can speak better, organize thought well, think rapidly on their feet, and do many other things now that they never could do before.

The Projection Crew was organized to provide film projection operation for classroom teaching purposes, extra-curricular activities and organizations. The organization has grown up gradually to where it gives service six periods a day. Through working on the Projection Crew, the members gain much experience in operating the visual aid equipment as well as information in many educational fields.

Drop-In Shop

The Drop-In Shop plays a major part in life at Col-Hi. Here classmates and teachers gather for school supplies, ice cream, and general after-school snacks. Specialized lines consist of T-shirts, Bomber tags for license plates, and books. The Drop-In Shop is sponsored by the Retailers, and members of this club work in the shop before school, after school and during noon hours.

The Retailers Club, entirely composed of Seniors, is three years old this year. It is a member of Tri-County Retailers, and its purpose is to prepare students for leadership and salesmanship. Weekly meetings are held and various problems discussed.

Some of its services are managing the Drop-In Shop, and ordering supplies for organizations and students.

Photography Club

The Photography Club was once a division of the Science Club. It was organized in 1948 and meets every 2nd Wednesday, with one night meeting a month. The club takes pictures of school activities and exhibits them in the showcase and donates pictures to the Columbian. The club strives to develop leadership and cooperation among members. It sends representatives to the valley meetings to exchange ideas, and has developed its own consti-

tution, and added equipment to that first provided by the Science Club. The Shutterbugs do not compete for outside honors but have won honors inside the school.

The group has modern equipment, a large camera for taking school activities and a small camera for taking outside pictures. They have grown from about five to twenty members.

These pictures show the photography boys at work. In the lower picture is K. Brandt adjusting a spotlight. In the upper right hand side picture is K. Brandt inspecting negatives. In the lower right hand side is J. Hooper, T. Gardner and K. Brandt in the process of developing a picture.

Tri Hi Y

Under the skillful guidance of Miss Alice Spainhower, advisor, and Elsa Lou Slack, president, the Columbia High School Tri-Hi-Y has had a successful year.

Activities during the year have included a joint potluck dinner with the Hi-Y boys (which the boys enjoyed very much) and an Easter Breakfast which

was held in the high school cafeteria after the Sunrise Services.

Perhaps the most highlighted event of the year was the annual trip to Olympia to attend a State Youth Legislature in which students take over the government.

To become a member of Quill and Scroll you must be in the upper third of your class scholastically, be of junior or senior standing, have written forty inches of printed copy, be approved by your advisor, be approved by the executive secretary of the organization, and pass an initiation test.

The purpose of Quill and Scroll is to promote and reward the individual staff member for his efforts and ability in the field of journalism.

This year the band, under the direction of Mr. Pappas, consisted of sixty members. They marched in the Homecoming parade and presented two concerts. They played at five football games, providing music and half-time entertainment. Several members of this band formed a Pep Band. This was the organization that displayed its enthusiasm musically at basketball games and pep assemblies.

The band acquired several new instruments including a bassoon, French horn, tuba, oboe, and baritone saxophone.

The band participated in the Southeastern Washington Music Contest and Festival and received a rating of excellent. They also attended the Lilac Festival in Spokane.

A Band Party was held during Christmas vacation and the week of April 28-May 2 was "Boost Our Band Week." Its purpose was to raise money for new uniforms. The climax was a concert presented to the public.

To end their fine performance of the year, the band played at Commencement Services.

Closing the covers of such works as Schubert's "Unfinished Symphony" and "The Procession of the Sardar," which they played this year, the orchestra completes another successful season. The horns and woodwinds joined the string section two mornings a week for rehearsal and such delightful collaborations as the lilting "Sleigh Ride," which they played at the Christmas program, was the result. On this

same occasion the orchestra accompanied the vocal music groups in "The Night Before Christmas."

In the spring the entire group played with the massed orchestras at the Southeastern Washington Music Festival held in Richland on March 28. In March also, many members went to the solo contest in Walla Walla where soloists and small instrumental groups received recognition for their talents.

Choir and Mixed Chorus

The Choir was organized in 1949 and has been under the direction of Mr. Harley Stell since it began.

This group presents two annual concerts in Richland, Christmas and spring. And as a service to the community, the choir participates in many of the different churches' morning and evening services without regard to denomination.

Also, the choristers present a number of full concerts in the different communities in this area. They have, in the past, participated in

two festivals—the Southeastern and Central Washington and have received ratings of which our school can be proud. When performing for concerts, the two choirs supplemented each other.

They have bought 75 robes and 60 stoles and dickies. Since they are not sponsored by the Associated Students, they raise their own money through public benefit concerts. The Choir has grown from one choir of 45 voices to the two choirs we have today of 105 voices.

Vocal Ensemble

The ensemble class is a nucleus for all the high school small vocal ensembles. Some of the members who perform with the ensemble are not actually members of the ensemble class, but due to their participation in programs were photographed as members of the class.

The ensemble usually attends the Southeastern and Central Washington Music Festivals. Their repertoire consists of many favorite numbers, both classical and popular.

The organization was formed to give students experience in small ensemble singing. The ensemble participates in concerts and entertains for service organizations in the community.

The dance band went swinging through its second year of existence in Col High, playing at assemblies and dances to the delight of the students.

The purpose of the band is to give some of our better players a chance to read dance music and to have an organization in the school that can play for mixers, assemblies and vaudeville shows. The group occasionally plays for community benefits.

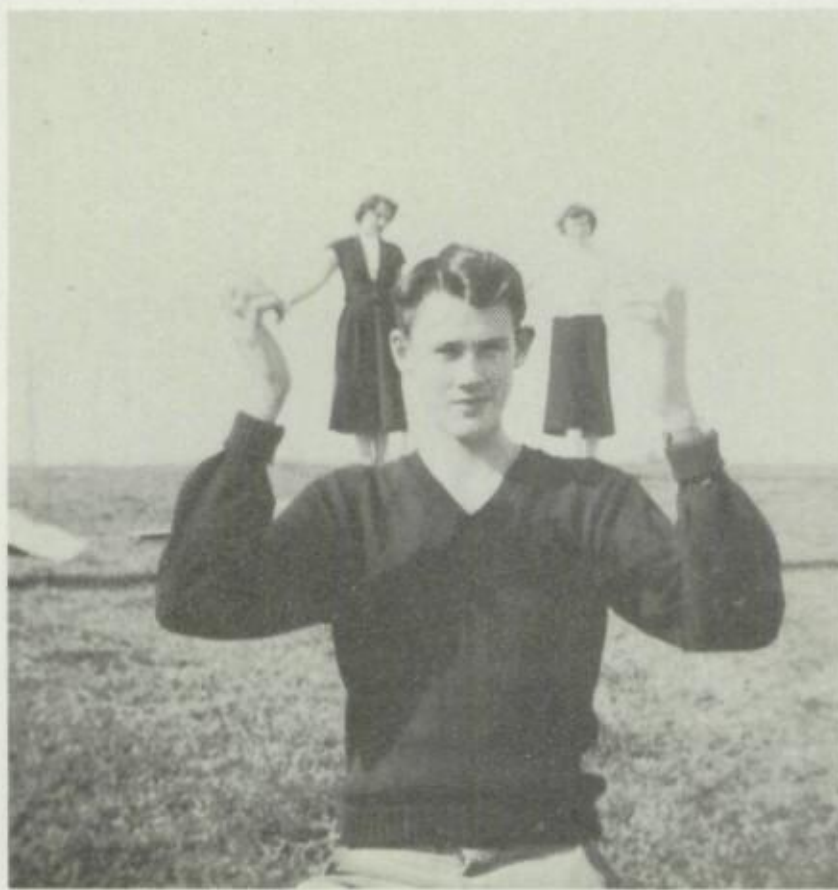

The director, Mr. Pappas, says some of their activities for this year were a minstrel show for the benefit of Korean War veterans and a benefit for new uniforms for the band.

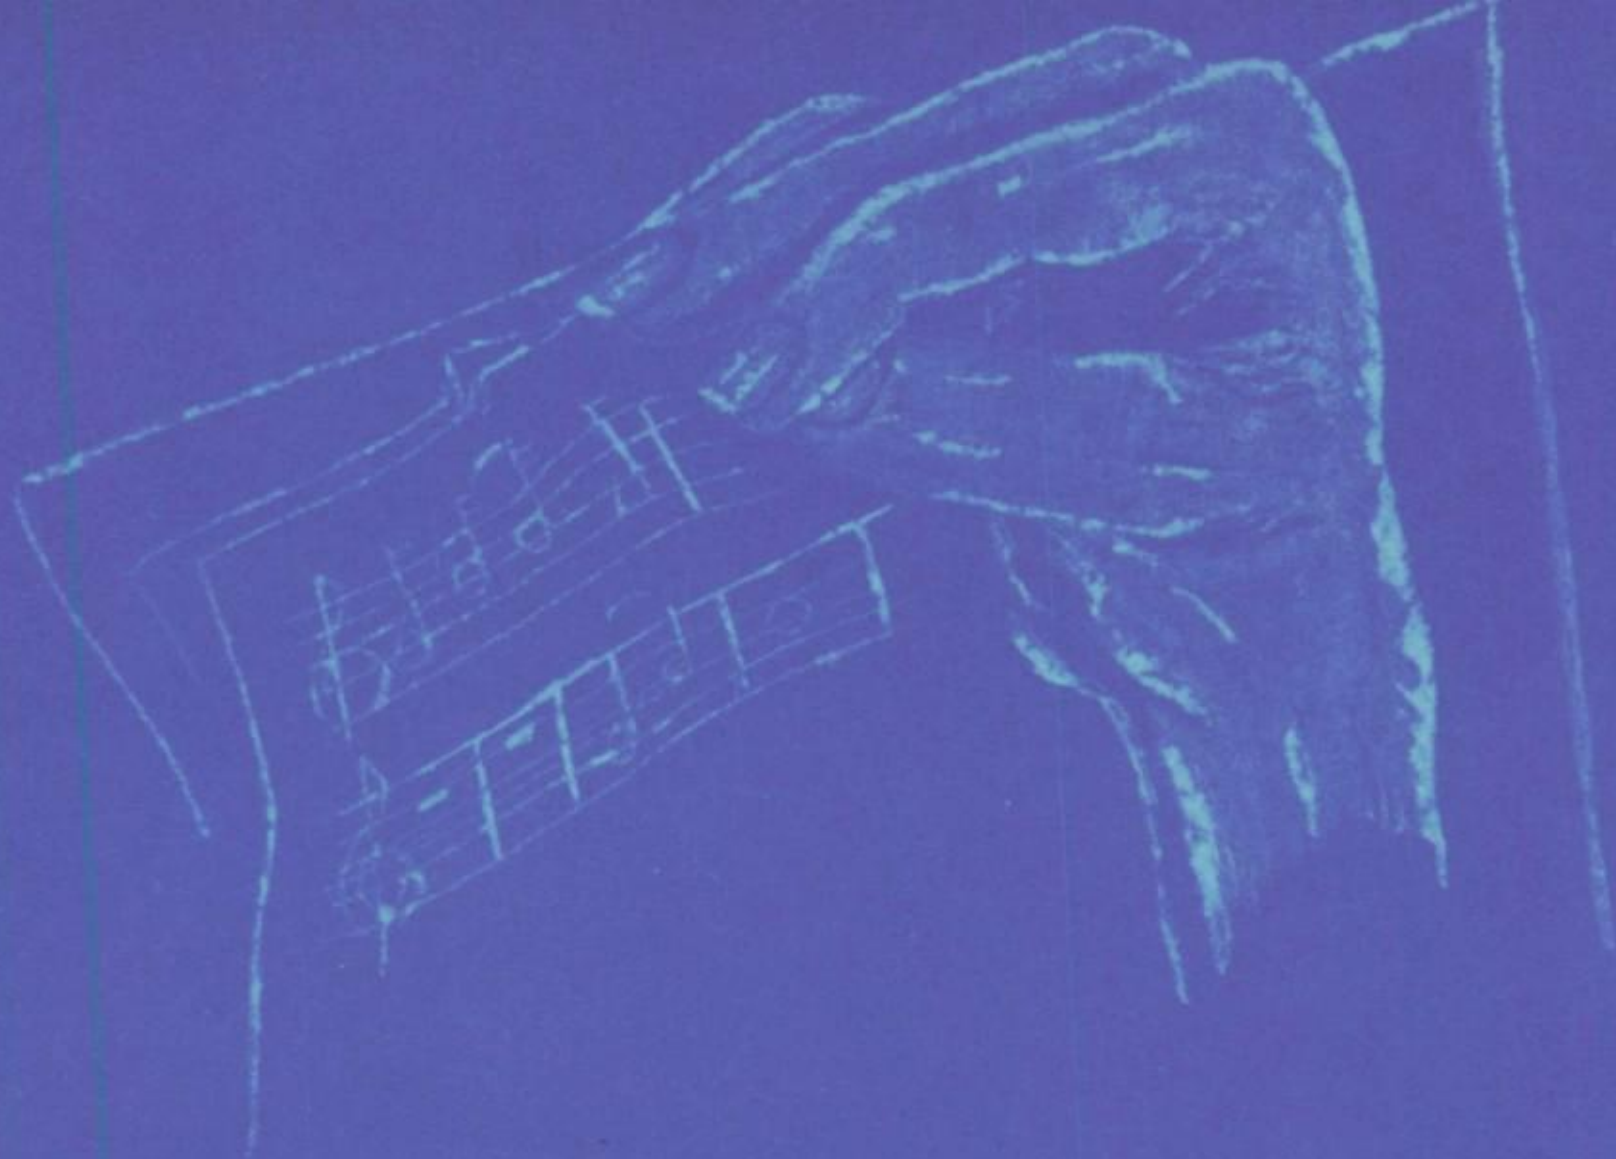

Snapshot Winners

This year, for the first time, the Columbian sponsored a snapshot contest.

First prize winner was Dick Hall, who entered the picture (upper left) of the Band (?) at the Homecoming Snakedance. Second prize winner was Dorothy Stamper who entered the trick picture below; Luana Ivers was the third prize winner—the cheesecake one (lower left).

Fourth Annual Homecoming

Columbia High held its Fourth Annual Homecoming, October 18 and 19, 1951. The fine work of General Chairman Margie Sargent and the committee with her made it one of the outstanding events of the year.

The coronation of the Homecoming queen was a very impressive ceremony with Jack Morrow, a four-year letterman, doing the honors.

The theme for this year's homecoming was "Orchids to the Alumni" and the queen's throne was a giant white orchid with small lavender orchids inserted. The queen received a white orchid corsage.

The procession was as follows: Queen Lou Ann Binns accompanied by Coronation Chairman Lionel Roberts; Princess Carole Weeks accompanied by Senior President Dick Epler; Princess Baret Ann McIntyre, escorted by Junior President Cecil Bell; and Princess Lorraine Murphy, escorted by Sophomore President Larry Blackburn.

Queen: Lou Ann Binns

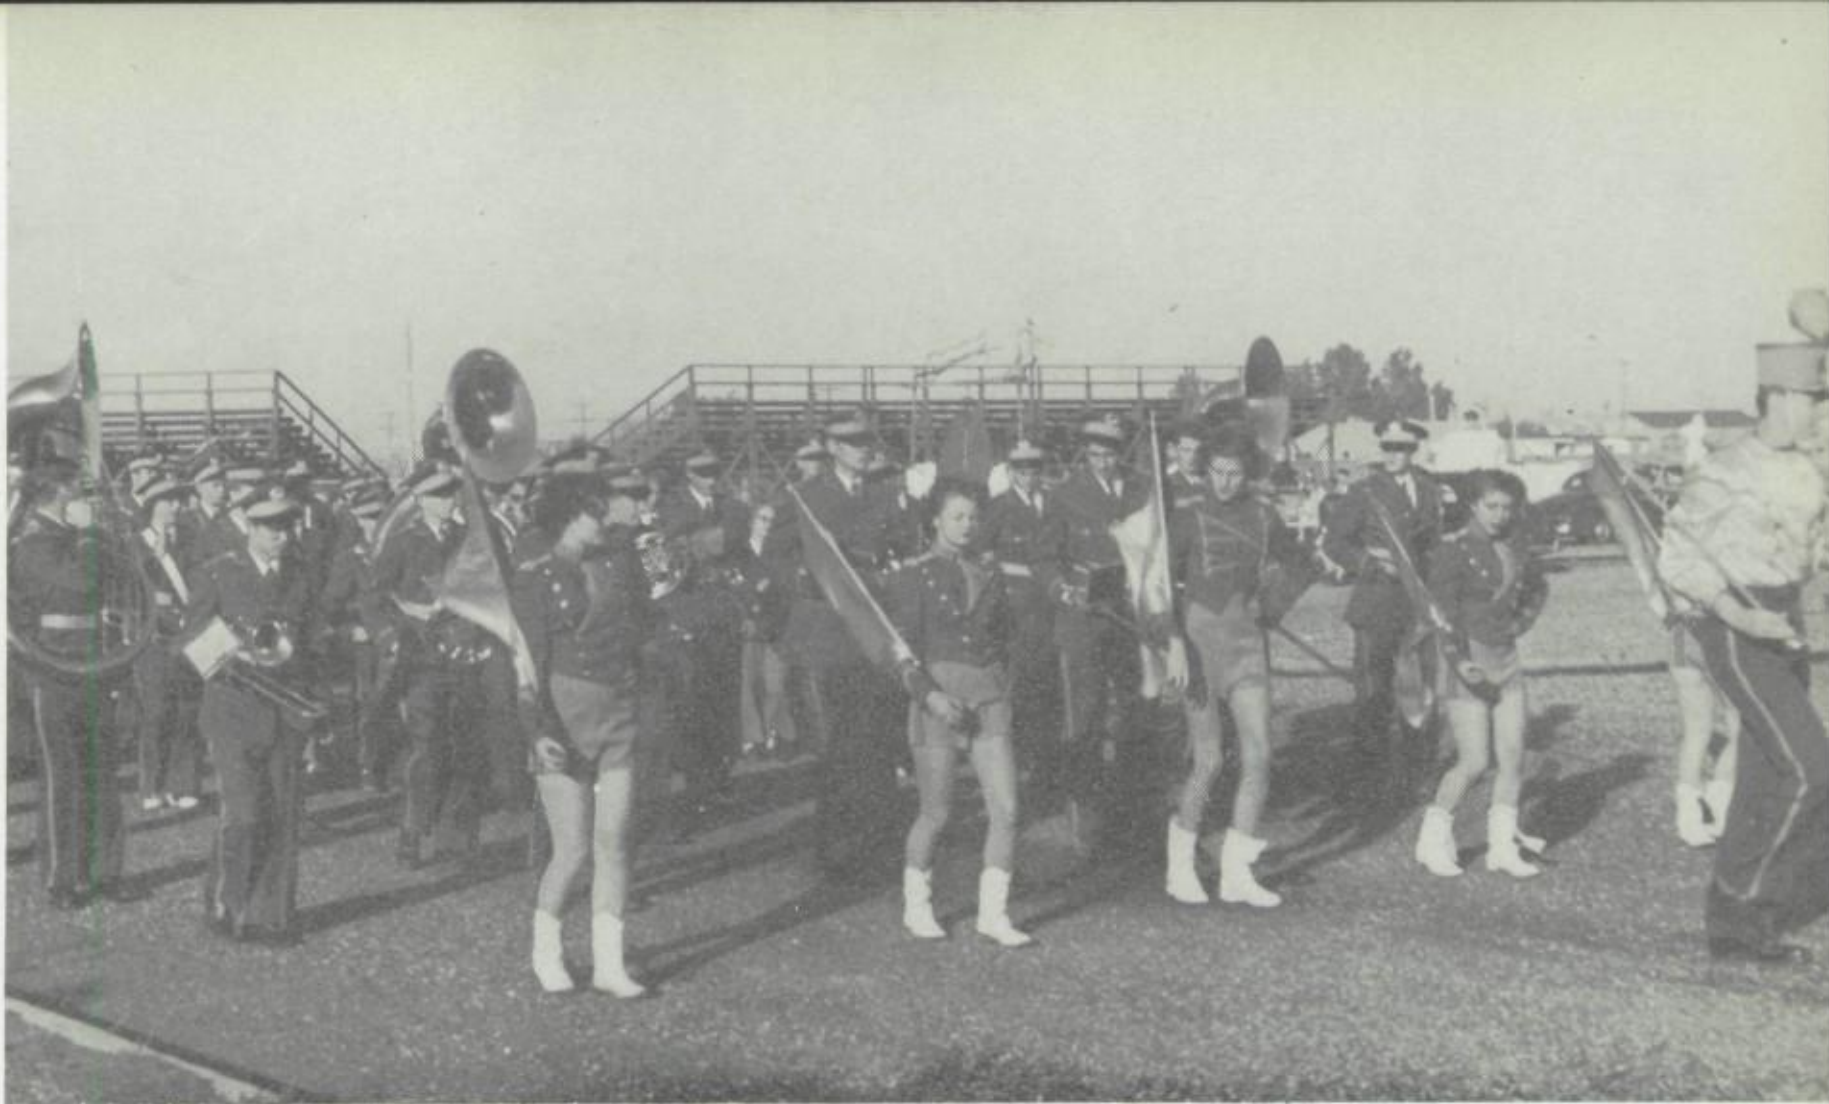

Left-Right: Lionel Roberts; Cecil Bell; Baret Ann McIntyre; Lou Ann Binns, Queen; Carole Weeks; Lorraine Murphy; Larry Blackburn; Dick Epler; Kay Personnette.

Proceedings opened Thursday with a pep rally followed by the Snake Dance. Led by the cheer leaders, the mob of happy, yelling students wound and twisted through the town.

At an assembly Friday afternoon Lou Ann Binns, accompanied by Princesses Carole Weeks, Baret Ann McIntyre and Lorraine Murphy, was crowned Queen of Homecoming. Immediately after the assembly everyone flocked to the Bomber Bowl to watch the intramural cross-country race.

At 3:30 the gaily decorated but wind-swept floats of Col-Hi's various organizations paraded before a large crowd down town. The beautiful F.H.A. float took first place honors.

That night the Bombers downed Kennewick in a hard-fought battle which gave Richland its fourth Homecoming win. After the game everyone went to the Victory Mixer in the Girls' Gym and danced to the music of the Col-Hi Dance Band to end this year's alumni return on a high note of triumph and delight.

"Winter Rhapsody" was the theme for this year's mid-winter dance held January 26. It was sponsored by the Junior Class and general chairmen were Lynn Plaggenmeier and La Rae McCullough. For decorations there were evergreen trees placed throughout the room, the bandstand was white with the northern lights above it and at one end was a giant log fireplace. The entertainment of the evening was furnished by Judy and Jack Little who tap danced, and Charles Goode who sang. Music was furnished by the "Rhythmairs."

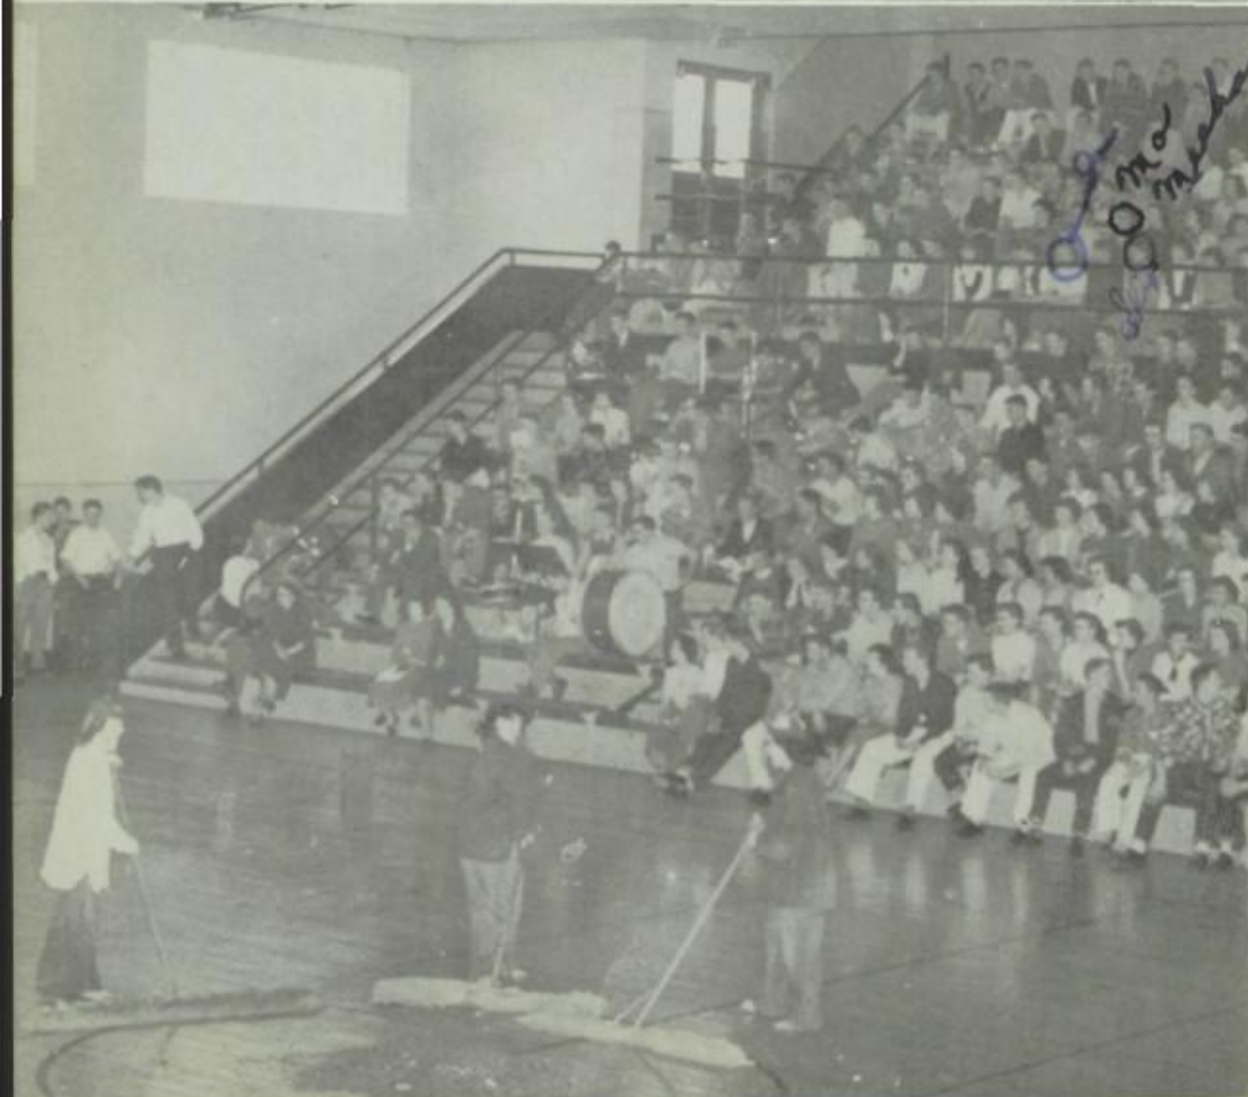

March of Dimes Show

The third annual March of Dimes talent show was held on January 30, 1952. "A penny a day will pave the way," was the theme for the program, which was sponsored by the Girls League.

Mr. Beardsley was the guest speaker and twelve-year old Robert Sandel was the honored guest to witness the generosity of the students at Columbia High. The goal was set at \$.30 a person. The total collections were \$170.66. The talent this year, as in the past, was both entertaining and enjoyable.

Miss Carol Tyner was the chairman of the committee that planned this worthwhile show, which brought such a satisfying result. All proceeds were presented to the March of Dimes.

1951 Prom

As we descend below the aqua waves into the beauty of the deep we behold a fabulous castle covered with swaying seaweed and surrounded with fish of iridescent colors. Music by the "Music Makers" from the Central Washington College of Education floated from a giant shell, while the royalty, King Jack Morrow and Queen Rosalee O'Neil, ruled from a treasure chest covered with glistening jewels. During the evening many enjoyed the seafood served by Pirates and Pirateers in the Coral Room. Entertainment for the evening was furnished by Jean Bowen, Lee Wardell and Mr. and Mrs. Bob Kenner. After an enjoyable evening we reluctantly ascended once more to the surface. We left the beauty of the under-sea fantasy, but the memory will linger with us always.

Tolo Week

The Radio Broadcasting class tape records interviews of gals with their swains—here Mary Esther Anderson and Jack Lippold—in the main hall during noon hour on one of the first days of Tolo Week. The interviews were later a part of that week's Col-Hilites broadcast over KWIE.

Tolo Committee gals get out the publicity for the movie. Left to right: Betsy Scudder, Rosalee Rowe, Norma Loescher, Libby Harkins, Barbara Meyers, Roberta Babcock, Joyce Reddekopp, Marilyn De Vine, and Mozelle Chapman.

Tolo Week is sponsored by the Girls League of Col. During this week you see girls walking the boys in classes, lending them money which they usually don't pay back, shining their shoes and escorting them on dates. Starting Tolo Week off with a bang was an up-to-date movie "His Girl Friday." During the week the girls vote for a Senior King and a Prince from each class. The highlight of the week is the Tolo Dance, where the girls escort the boys, buy the boutonnieres and "wear the pants" for one night.

Tolo Dance

"Dreamer's Holiday" is the theme of the annual Girls League Tolo Dance. The decorations were cleverly composed in pastel colors—complete with ever stars and castles. The enthusiastic and large audience witnessed the crowning of the king, Jack Dawson, by Betty Scudder. Sharing honors with the king in the court were princesses Jack Sinderen, Lynn McDougall and Kenny Gardner. Music was provided by the Rhythmaires and a festive evening was enjoyed by all.

Here are some of the boys participating in the planting of the trees. Left to right, G. Stephens, C. Bell, J. Severn. Mr. Landers is in the center, plants in hand.

A Grove Begins

Last year Mr. Russell Brown drew up plans for planting trees; they were completed this year. The purpose was to make an outdoor patio for students to eat lunches outside during nice weather in spring and fall. Tables are to be provided later.

Over 200 trees were planted, ranging from snow berries to 35 foot poplars. Such colorful trees as bade, flowering cherries, flowering crabs and many others have been brought in. Some of the shrubs are forsythia, flowering greens, flowering almonds and others.

The shrubs were provided by G. E. Nursery. The planting was sponsored by the Boys Federation. The plans were made with colors for spring and fall in mind.

A Rose Garden Is Planted

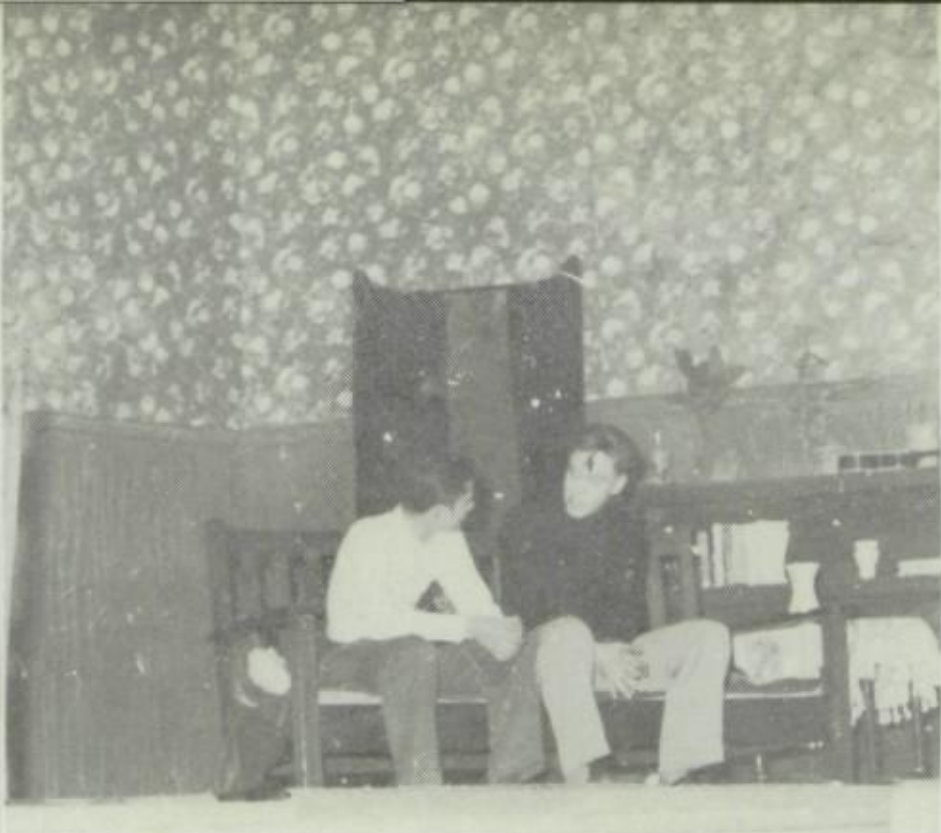

The Col-Hi rose garden was planted in the north patio in the last of March. They planted thirty-four different kinds of roses. The Biology Club is in charge of the garden and about 65 students worked on it.

Several clubs have had flowers dedicated to them. Some of the names are: Nigger Boy (Sandstorm), Showgirl (Thespians), Picture (Photography Club), Hearts Desire (Girls League), and Helen Traubel (Choir and Vocal Groups). The colors they have are: Yellow, Red, White, Crimson, Scarlet, Pink, Bicolors, Talisman and Peace.

Next year we will have beautiful roses to add color to our school life.

Some of the rose garden planters are, left to right, R. Smith, E. Simpson, Mrs. Kleinsorge, J. Valdez, D. Clark, D. Koeppen, J. Simpson, D. Johnson, S. Lambirth, C. Beckstead.

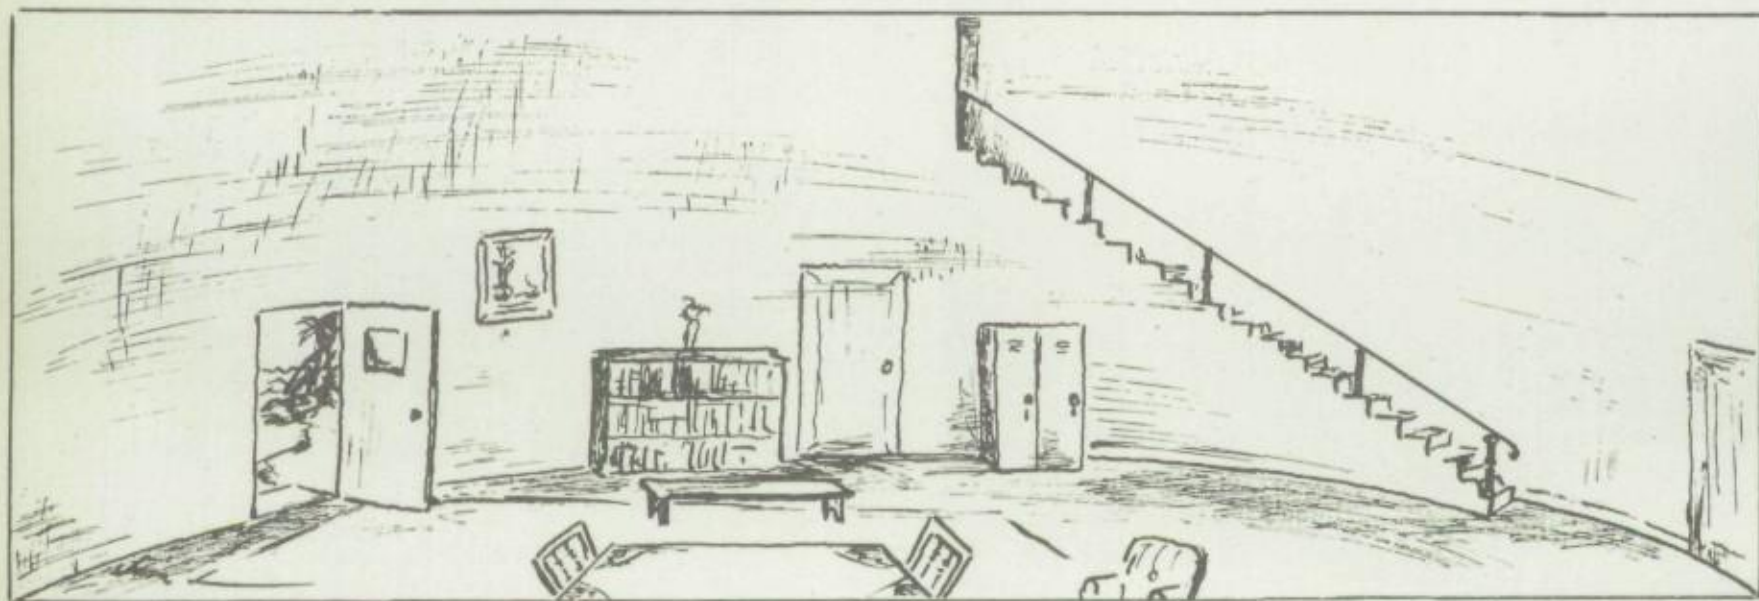

Left: The Spence Family. Gene Barfuss was Hartsell, Norma Loescher portrayed Eileen, Caleb Telfer acted Reverend Spence and Carolyn Leinberger was Mrs. Spence.

Right: Hartsell confides in his pal, Ronny (Gene Ritnour), the wedding tactics of his preacher father.

"One Foot in Heaven" ^{TONS!}

One Foot in Heaven by Hartzel Spence is the story of a minister, Reverend Spence, who comes to take over the parsonage in Laketown, Iowa. The story starts on one sunny afternoon in April when the Spences come to the local parsonage and find it about to fall down. Also, the town is run by a wealthy spinster and her boy-friend who have taken it upon themselves to run out some foreign families who live on the edge of town. The Spences remedy all this

in many lovable and laughable situations. Caleb Telfer (Reverend Spence), Carol Leinberger (Mrs. Spence), Norma Loescher (Eileen Spence), their daughter, and Gene Barfuss (Hartzel Spence) their son, were the main players. Others in the cast were: Bob Davis, Rusty Prudich, Carol Tighe, Mike Harris, Ann Clatworthy, Rosalee Rowe, Bev Brown, Gene Ritnour, Mike Clowes, Libby Harkins, Piet Smith, and Nan Robb.

Above is Jim Scroggin's drawing of the lighthouse interior set Bob Davis devised. Below are Carolyn Leinberger, Carol Thorp, Gene Barfuss, Bob Crawford, Joy Mason, Piet Smith and Bob Johnson rehearsing the play.

"Thunder Rock"

Fantasy and melodrama combined in "Thunder Rock," Col-Hi's spring play presented April 17 and 18. The first serious drama ever attempted by our school, the play revolved around the efforts of a group of people, some real and some imaginary, to persuade ex-journalist David Charleston (Gene Barfuss) to return to his ideals. The actual people involved are Streeter (Mike Clowes), Inspector Flanning (Dick Cole) and Nonny (Gerry Swain). The imaginary people, creatures of Charleston's mind, included Dr. Kurtz (Bob Crawford), Captain Joshua (Piet Smith), Melanie (Carol Thorp), Anne Marie (Carol Leinberger), Miss Kirby (Joy Mason) and Briggs (Bob Johnson).

The National Thespian Society, Troupe No. 640, was established in Columbia High in 1945. Since then it has taken the lead in producing plays and skits. Down through the years the troupe has given such memorable plays as "Brother Duck," "Dulcy" and "Black Flamingo." Unfortunately, last year saw most of the senior Thespians graduating, but the group got a new start with the sophomores who came from Carmichael.

The first production of the year was a one-act melodrama written by Lynn Sapper. This seasoned quite a few of the new actors and paved the way to the first all-school play, "One Foot in Heaven." Their director and sponsor, Mr. Marvin Shaw,

directed the year's three productions. The second three-act play the Thespians put on was "Thunder Rock." This is the first time that any organization has presented a drama to the student body. We hope that this may continue.

The Thespian organization has as its aim the furthering of the dramatic arts in the high schools. Persons who belong to the organization get valuable information which helps them if they want to take up drama as a life work. The officers of the organization this year were: Caleb Telfer, President; Lynn Sapper, Vice-President; Rosalee Rowe, Secretary; and Joy Mason, Treasurer.

Through the fog that seemed to mysteriously enwrap the Thunder Rock cast at rehearsals, you may distinguish Johnson, Leinberger, Thorp, Barfuss, Crawford, Mason and Smith.

DIRTY-WORK AT-DRY-GULCH

Lynn Sapper's mellerdrammer opened the Thespians' season in September. Presented to the student body in a morning performance, this rowdy little burlesque treated Col-Hi to a hilarious mixture of the standard old-time ingredients—sweetness and light, wicked skullduggery, missing gold, and a heroic rescue. Accompanying the proceedings was "St. Louis Blues" and other assorted gems tinkled out on a prepared piano by Mike Harris. Involved in the plot were Nan Newman, John

Negeley, Gene Barfuss, Rosalee Rowe, Ed Thurston, Caleb Telfer, John Severn and Don Halstead.

In the lower pictures the Thespians prepare for a new production. The old surfaces come off the flats and new surfaces go on the actors. We were unable to identify the gent at lower right, but it looks like he was preparing for the role of Mephistopheles.

The Letterman's Club has long been active in work for the good of Col-Hi. It is composed of boys who have earned letters in football, basketball, track, baseball, tennis, cross country, and boxing.

The boys policed our games, sold concessions, had a party with the Pep club, and staged a tough initiation for new members. Mr. Art Dawald was advisor of the organization.

PLAY BALL! That's the cry you hear coming from the girls' gym after school.

G. A. A. was organized for the purpose of promoting better sportsmanship among the girls. It was started in 1946 and had about fifty members. Now there are about 100 members in the club. They play volleyball, basketball, badminton, soccer, softball, bowling, horseback riding, and other added sports.

The governing body of the club is the council. They are the members who have won the sweaters. They plan all the activities of the year for the club. With the guidance of Mrs. Carlile, the club has come along fine.

Some of the highlights of the year were: The mother-daughter banquet, the initiation, and the play days that they attended.

Varsity Football

The Bombers finished out the 1951 football season in a blaze of glory but the victory trail was not an easy one. In the season's first game the Bombers downed a powerful Gonzaga team from Spokane on the balmy night of September 15. On September 21 Richland came home from Yakima again victorious, having come from behind to block a Pirate punt and score in the last minute of play.

September 28 the Green and Gold opened conference play by downing Prosser, 55-0. The Bombers stamped the powerful Grandview Greyhounds in the turf October 5, 22 to 0, for the second conference win of the year.

Walla Walla's undefeated Blue Devils invaded the Bomber Bowl October 12 and returned home the same way, defeating the Bombers 19-14. This game, played before an all-time record crowd of 6,700, was the nearest any team in the state came all year to beating Wa-Hi. But Richland returned to winning ways October 19 in the Homecoming game when they downed Kennewick 21-7.

Richland again won October 26, this time at the misty field of the Pasco Bulldogs by a score of 18-6. Returning to Richland, the Rish-men downed an extremely scrappy pack of Sunnyside Grizzlies 7-0 to sew up the conference title. In the last scheduled game of the year the Bombers traveled to Wenatchee where, by virtue of Jim Miller's educated toe, they edged the Panthers in rain and mud 7-6.

Because they won the Southern Division championship, the Bombers met Wapato, the Northern Division victors, for the valley title. The mighty Wapato team held Richland 7 to 7 for three quarters until the Bombers broke loose with two touchdowns to win the Yakima Valley title 20-7.

Among the honors bestowed upon the Bombers; fifth place rating among Class A teams in the state in the final AP poll; Jim Mauzy was chosen lineman of the year for the Southern Division; Lyall, Mauzy, Snow, Dawson, and Morrow made first string on the Southern Conference All-Star team.

Junior Varsity Football

1951 Season

The Junior Varsity had a fair season this year. The Babes started off with a bang when they knocked off Pasco 19 to 6. Continuing their winning ways, they downed Kennewick 7 to 6, Walla Walla 20 to 6, and Sunnyside 20 to 7.

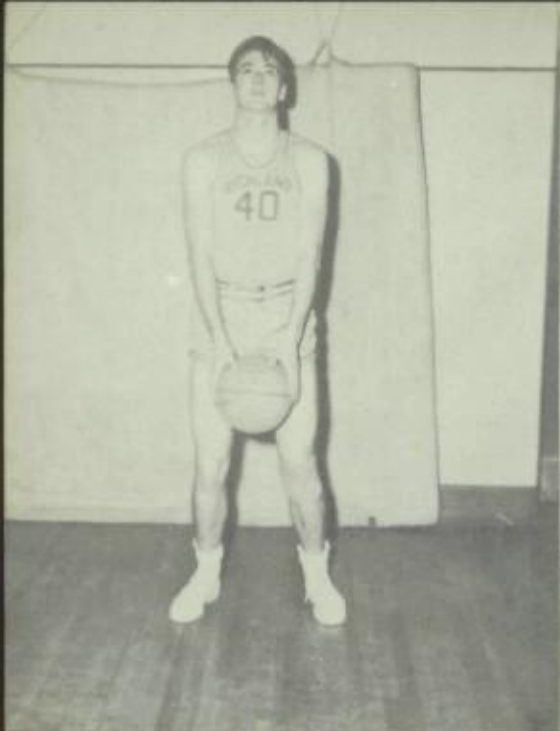

Nearing the end of the season, they bogged down, losing to Yakima 27 to 14

and Pasco 8 to 0. Although they didn't win all of their games, the boys showed a lot of fight in every contest.

The Junior Varsity is composed of sophomores and juniors who get further experience to ready them for varsity competition. Several J. V. boys played on the Varsity this year.

Bombers Down Pasco In

Eagles Sneak Lyall High By Richland Marksman

Richland Bombers dropped a narrow victory in a row the West Valley 50 to 44. The Bombers, who didn't win against the game Bombers.

Big 6 foot, 7 inch center, McKerman and little Don Riggs, paved the way for West Valley with vital last quarter field goals.

The Bombers got off to a 12-9 lead at the quarter and still led at the half 25-24. But in the third period the Eagles galloped out in front, led by forward's Mike Anderson with 8 points and Harry Watson with 7.

Make Come-back
But in the fourth quarter a rejuvenated Bomber five charged back into contention when Don Hall and Jack Dawson dropped two field goals apiece and in McKeown a foul shot to put them ahead 46-45 in the first minutes of the quarter.

McKerman then countered with a field goal to put the Bombers five back into the lead. The margin dropped in one minute following that throw. The Bombers followed with a three point shot and a layup to lead 49-46.

Richland Bombers won the game 50-44. The Bombers, who didn't win against the game Bombers.

North Central
North Central, who were "rained," Yakima and will be out looking for a win over Richland and are expected. The Indians use a fast and execute it near the basket. Jerry Mason and Don Breard being the "big guns" for Richland, looking for their second win of the season against the Bombers, will be on a full scale with the Lyall-Morrow-Watson-Gant-Breard combo.

Rough Xmas Contests
The North Central five will probably start Mason and V. at the guard position. The Bombers at the center position and Breard and Watson at the forward position. Last year's Bombers won.

Junior Varsity Basketball

Bottom row, left to right: Lefty Kunkler, Pat O'Bryan, Dwaine Mann, Harold Kenitzer, Dennis Hoxie. Row 2: Don Jarvey, Jack Sitton, Finis Glendinning, Daryl Johnson, Coach Juricich.

The Bomber Babes had a fairly successful season this year, winning twelve and losing five games. The junior varsity team provided preliminary game entertainment before many of the Richland games. They lost three out of the seven pre-conference games, one by a scant four points to highly-touted Benton City.

In conference play they placed second behind

first place Pasco. The Babes lost both games to the Bullpups, 32-26, and 40-36. However, they won handily from the rest of the conference J.V.'s.

Coach Ray Juricich formed a new team this year, composed of boys who were not quite ready for J.V. or varsity competition. This B squad met junior varsities from other schools and some of the varsities of Class B schools.

Bottom row, left to right: Mgr. Jerry Dudley, Jim Mefford, Gary Bower, Bill Jackson, Ken Gardner, Daryl Johnson, Ken Warren, Larry Blackburn, Dennis Armstrong. Row 2: Ardie Parker, Joe Webb, Skip Scott, Everett Waining, Bob Harding, Ron Snow, Charles Gant, Tom McKeown, Bob Nacke, Jim McKeown. Row 3: Pete White, Bob Miller, Bob Crum, Jack Morrow, Bob Gandy, Bill Griffin, Ron Ensign, Bill Lloyd, Gary Porter, Coach Francis Rish.

Varsity Baseball

The Richland baseball team opened the 1952 season with a bang. Charles Gant hurled a no-hitter in his first time out as the Bombers started off with a big winning streak.

Although most of the infield and outfield positions were taken care of, grave doubt was held about the pitching staff, as our three ace pitchers from last year had graduated. But their replacements were doing an excellent job and the Bombers were

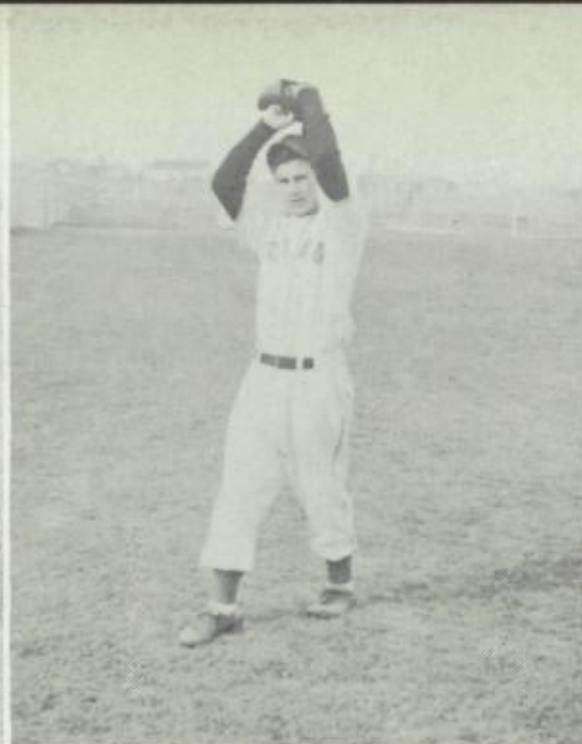

showing signs of fielding another valley champion team.

Returning from last year were: Ron Snow, catcher; Bob Harding at shortstop; and Skip Scott, third base. Jack Morrow and Bob Crum returned to the outfield while Bob Gandy and Ron Ensign moved up from last year's reserves to take over first base and left field respectively. A transfer, Joe Webb, nailed down the second base spot. The four ace pitchers were Charles Gant, Jim McKeown, Ken Gardner, and Bill Griffin.

Track

The Col-Hi track team opened the 1952 season under the direction of Art Dawald who succeeded Edgar Haag as coach. Coach Dawald had a tremendous rebuilding job before him because many of the stars of last year's valley championship team had graduated. With an abundant stock of sophomores as well as quite a few lettermen from last year, the team got off to a slow start but improved as the season progressed.

Mr. Dawald built his team around such boys as Jack Dawson, holder of the Yakima Valley high hurdles record, speedy Ken Chubb, weight-man Jim Mauzy, and miler Jim Blake, along with other boys such as Tom Davis, Hugh Hinson, Paul Mandell, Bob Thomas, Warren Stratton and Ray Hubbard, supplemented with a promising group of sophomores.

The cross-country team is made up of boys who turn out in the fall for the one event, the cross-country run. This grueling gut-race separates the men from the boys. The course runs about two miles, over any kind of ground—wet, dry, flat, or even hilly.

Bottom row, left to right: Wayne Fisher, Gary Porter, Bob Thomas, Harold Morris, Forest Goodenow. **Top row, left to right:** Dick Wight, manager, Jim Blake, Harold George, Paul Mandell, Coach Calvin Welch.

Bottom row: Everett Liddell, Leslie Young, Jerry Gilmour, Orrin Pilkey, Warren Stratton, Wayne Fisher, Merrill Burt, DeWitt Riggins, Jim Adams, Bob Thomas, Harold Kenitzer, Ray Gilmour, Bill Wendland, Farrell Janssen. **Middle row:** Dave Baxter, John Pruden, Don Halstead, manager, Ray Hubbard, Hugh Hinson, Don Snyder, Pat O'Bryan, Tim Keaton, Don Ray, Ron Leavell, Jim Blake, Ken Chubb, Dick Pierard, manager, Stan McDonald, Dennis Hoxie, Jack Sitton, Harold Morris. **Top row:** John Nageley, Dore Tyler, Ray Wells, Frosty Goodenow, Lafe Myers, Tom Davis, Paul Mandell, Dick Green, Jack Dawson, Jim Mauzy, Clyde Johnson, Gordon Anderson, John Clark.

Tennis Teams

Row 1: Don Snyder, Ross Bollen, Floyd Montgomery, Ron Dowda. **Row 2:** Ken Sheridan, Harold George, Buddy Breard, Heber Thompson, Don Jarvey, Russell Armstrong.

The Tennis Team turned out during the beginning of February, under the coaching of J. N. Morris. For a while Mr. Morris had the players inside the girls' gym practicing their serves, forearms and backarms. When he thought the players were prepared, they played on the tennis courts. Then came the tennis ladder and the team was formed.

The first game was at Pasco, with Richland winning. Richland beat Kennewick there, and then tied with Hermiston here. The schedule for the rest of the home games was as follows:

Yakima, April 23	Sunnyside, April 29
Pasco, April 25	Kennewick, May 2

The Richland team hopes to win all of its future games and is working hard to do it. Next year, Coach Morris expects more kids to turn out for tennis and make a bigger and better team.

Row 1: Pat Ackley, Wanda Wittebort, Patti Badger. **Row 2:** Sue Struck, Shirley Ginther, Lurene Bernhart.

We wish to thank the following people for their contributions to our yearbook:

It would have been impossible to complete this book without the help of:

Jim Gladfelder, Dore Tyler, Caleb Telfer, Dick Cole, Bob Crawford, and The Columbia Basin News for pictures;

Barbara Meyers, Bob Crawford, Jack Lippold, Jim Scoggin, and Mrs. Ellis for the art work;

Miss Munns and the Sandstorm for their assistance and information;

Mr. Jones and the Photography Club for help on pictures;

—and the faculty and officers of various organizations for their co-operation and assistance in preparing this book.
